There are endless ways to express yourself through singing and exploring different styles

LESSON STRUCTURE

PRIVATE (1 ON 1) OR SMALL GROUP LESSONS (2-4 STUDENTS)

Within the lesson students work on vocal techniques, breathing exercises, support and gaining an understanding of the physical aspects of voice production. Students also learn microphone skills, performance skills and different ways to interpret songs.

Students can choose to study from a variety of singing styles including **pop, musical theatre and classical**. It is suggested that students discuss with the teacher which style they wish to study at the commencement of classes. Students may like to suggest songs that they are interested in learning, however their teacher will choose the most appropriate song, taking into account age appropriateness, vocal ability and the area of vocal technique that they are focusing on.

Singing lessons help a student to improve vocally, eliminating bad habits and reinforcing correct technique. It is important that all students practise at home - vocal warm ups are essential, at least 15 minutes every second day. As with learning a musical instrument, the rate of improvement will be hindered if regular practice doesn't occur.

SINGING PERFORMANCE OPPORTUNITIES

TERM 1 SINGING CONCERT, TERM 2 MID YEAR SHOWCASE, TERM 4 SINGING CONCERT

Our singing school has a mid-year showcase which is the highlight of the singing year. It is in the style of a mini musical and is usually held in August (subject to theatre availability). Students who are interested in being a part of this show are required to audition. Additional classes and rehearsals for singing students will be held to put the show together. These rehearsals will commence sometimes in Term 2 so please inform us if you intend to be a part of this fun production! A calendar confirming all dates will be sent out sometime in Term 2, 2023.

Crazy Feet realises that it is important for singing students to perform several times a year to help solidify techniques learnt and build confidence as well as improve performance skills. All performances are held in a relaxed, non-threatening environment with an emphasis on fun. Students who take group lesson will present group items (they will not be able to perform a solo each). Students who take private lesson will present a solo, sometimes with backing/supporting singers. Performance dates will be made available throughout 2023.

WHAT SHOULD I BRING TO CLASS?
