## PROGRAMS

Crazy Feet Dance Studio offers **3 different programs** to cater for all Pre-School aged children. Both programs are suitable for boys and girls and are appropriate for **2-5 year olds**.

Our 3 programs are called Ready Set Ballet, Ready Set Dance & Ready Set Acro. These programs are best taken together but can also be taken separately. Please read through this booklet to learn about the difference between our wonderful programs and all other information that you need to know to join our Crazy Feet family.

# READY SET Ballet

READY SET BALLET is a 30 minute magical ballet experience for 2- 5 year olds. Twirl, our mascot, will lead our little dancers through each step of the class as they learn the fundamentals of ballet.

- **MUSIC** – Engage in specifically designed music that captures the beauty of classical ballet.
  - **CURRICULUM** – Develop coordination, body awareness, strength and flexibility both through visual and auditory instruction.
  - **MIME** – Explore creativity and gain confidence by going on a picnic with FREEZE and TWIRL, riding the tutu train to storybook lane and so much more.
  - **THEMED DANCES** – Learn the beautifully themed dances that have music prompts to support preschooler's playful participation.
  - **PROPS** – Have fun twirling with rainbow ribbons, swaying with feathers and popping bubbles.
- These resources support tactile awareness and strengthen fine motor coordination and control.

# READY SET DANCE

READY SET DANCE is a one hour Ready Set Dance combo class of JAZZ, TAP, HIP HOP, SINGING and MUSIC and a whole lot of fun! The program caters for two levels, 2-3 years and 4-5 years.

- **JAZZ** - Develop muscle strength, control and balance and achieve coordination milestones like skipping before going to school.
- **HIP HOP** - Bust out some ice cold moves just like Freeze to our original hip hop tracks.
- **MUSIC** - Develop the musical ear, dynamics and tempo while having fun with instruments and the parachute.
- **SINGING** - Sing like Twirl and build confidence singing on the microphone
- **TAP** - Learn the fundamentals of tap in a playful and creative way by splashing in puddles and shuffling like a penguin.

ALL THESE  
INGREDIENTS  
TOGETHER  
CREATE A SUPER  
HOUR OF FUN!

# READY SET Acro

Ready Set Acro is a collaborative acrobatic program developed with Industry Leader Acrobatic Arts, specifically designed for preschoolers. It emphasises safe and effective progressions to foster the physical and social skills needed for healthy early childhood development.

The program is developed with original music with lyric cues and focuses on three key components: **Stretch, Strength, and Skills.**

- **STRETCH:** Enhance flexibility and expand the range of motion in all major muscle groups.
- **STRENGTH:** Young learners engage in a variety of exercises designed to promote physical strength and control.
- **SKILLS:** Preschoolers develop social literacy and build confidence while exploring a wide range of AcroDance movements.
